### **Circular on Maintenance of Personal Hygiene and School Essentials**

Dear Parents,

As part of our ongoing efforts to ensure the health and well-being of our students, we would like to bring to your attention the importance of maintaining certain hygiene practices. In this regard, we request your cooperation in reinforcing the following habits in your ward:

1. Ensure your child's fingernails are neatly trimmed and clipped, avoiding dirt accumulation and any risk of injury during gameplay.
2. Encourage your child to maintain a clean hair and a well-groomed hairstyle that adheres to the school guidelines.
3. Ensure your child's school uniforms are washed and pressed regularly to maintain a neat appearance and prevent dirt buildup.
4. Remind your child to wear properly fitted shoes and clean socks to prevent discomfort and foot-related problems.
5. Encourage your child to wash their ID card tag regularly every week to keep it in good condition and ensure it remains legible.
6. Remind your child to wash their school bags and lunch bags regularly to maintain cleanliness and prevent dirt or odour buildup.

By working together, we can create a healthy and safe environment that fosters academic excellence and personal growth. Your support in this matter is greatly appreciated.

Regards

Principal
